The new shade sail is here

The shade sails are an initiative of the P&C, organised by the P&C, funded by the P&C. This is a great enhancement to the school and the P&C appreciates the donations of parents who have paid voluntary contributions to make this possible. If you haven't made your voluntary P&C contribution for 2016 yet you can make a direct deposit:

Account name: Shelley Primary School P&C Association
BSB: 066 164 Account: 10037944
Please include the surname/year of your youngest child so a receipt can be issued.

The P&C has been requested to provide additional funding, for some items the students can use during the day in the new shade sail area. Some ideas suggested include moveable seating (e.g., bean bags) and games for those students who would like to read or play games. Come and find out more at the next P&C meeting.

$10,000 Traditional Funding

We reported recently on the $10,000 of traditional annual funding from the P&C to the school, and some parents have been asking “what does the P&C spend the funds raised on” - so here’s that list again:

- $5,000 has been spent on new readers which is something many parents have been asking for.
- Apple TV for each classroom and 3 new ipads.
- New geography resources, including world globes, have been purchased for Humanities and Social Science lessons across the school.
- Re-concreting the path near the office.
- Awards, badges, ribbons, and trophies, and other items as required by the school.

WACSSO State Conference—Registrations have now closed

Naturescape Playground

Progress is being made as a number of P&C members and teachers are getting together to develop a plan of action including what works, what doesn’t, what’s needed in the design, talking to landscape designers and more. It’s important that whatever is constructed is something that will interest the students and that it will be something they get value and enjoyment out of and make good use of. If you are interested in being part of this planning group the P&C would love to hear from you – shelleyprimarypandc@hotmail.com

Class Reps want to get in touch with all parents

If you are receiving news from your class rep you have obviously given your contact details to them. But some reps have only half the parents contact details, so there’s a lot of parents who are not getting information —about things going on in the classroom, about things needed by the teachers, about P&C activity and more. Ask your friends in your classroom if they have provided details to the class reps and anything you can do to encourage them to do so would be greatly appreciated—we have half a year to go so still lots happening around the school that they can be part of if they get the information.

Next P&C Meeting Dates:

Tuesday 9th August—7.00pm in the staffroom (note 7pm start, not 7.30pm)
Thursday 15th September 2-3pm in the staffroom
