LONG SERVICE LEAVE
The Department of Education has advised any personnel with outstanding long service leave entitlement that it be finalised by the end of 2016. As a result parents may notice many changes in staff over the next two terms. The school will endeavour to inform parents of individual long term leave replacement teachers.

TRAFFIC
Please take every precaution in ensuring that your children get to school safely in view of the neighbouring construction and wet weather.

Please note that the car park is NOT a kiss and drop area. Parents need to park prior to students getting out of their car.
Dear Shelley Families

Teachers are busy ensuring that the Reports to be available at the end of this term are carefully prepared according to the progress of each student in the school and giving parents feedback on how students can develop further before the end of this current year. It is a time consuming task but one which we believe is vital to the academic and social development of every student.

We expect to see every student advance in their achievements each and every year – some will see vast steps in improvement while others will show a slower advancement – talk this through with your classroom teacher if you have concerns – we believe that nothing should be a “surprise” to parents, as you would have been informed of progress along the way during Semester One.

In supporting this process, Shelley Primary School will close for parent interviews on Thursday 23 June. These meetings will supplement our written reports and provide both teachers and parents with time for face-to-face meetings. The details of how the meetings will be conducted will be sent home by classroom teachers soon. We value your support and as such want to provide as many opportunities as possible for you to become involved in your children’s education.

The Department of Educations’ new Strategic Plan focuses on building a culture of ‘High Performance and High Care’ and notes that ‘our most successful schools have a culture that encourages and supports everyone to perform at their best’. These schools also create environments where everyone feels they belong and is understood, cared for and appreciated.

To support the development of ‘high performance and high care’ within our Shelley students, staff and wider community we have engaged in a number of strategies. Our focus on developing staff through targeted Professional Development has been well supported with staff participating in learning opportunities and sharing their knowledge with others in a structured way both in school and after hours. This was extended into a Staff Development Day last Friday, where our staff participated in professional development with a focus on Mathematics with staff from our Network schools.

We will soon be seeking feedback via a school survey from our school community on the effect that our whole school strategies have had on developing such a culture within our school environment. We hope you take the time to participate and complete the survey when it comes home.

2016 SCHOOL CONTRIBUTIONS AND CHARGES

Thank you to all of the families who have been very prompt in paying their contributions and charges to the school. As you know all parents are asked to contribute only $60 per child, per year to assist with purchasing additional resources for students. Last year we were able to use parent contributions to develop an iPad program for our students which would not have been possible without this money. Thanks to those parents who do contribute. This year we would like to continue to develop our mobile device program for our students. Obviously if we can increase the contribution rate we can purchase more equipment.

For those who have not paid the contributions and charges it would be appreciated if you would forward your payment to the front office as soon as possible. Alternatively there are EFTPOS facilities available. A reminder for outstanding payments will be sent home this week.

LOST PROPERTY

As the colder weather has now set in we are again getting a build-up of lost clothing items, in particular jackets. The yellow bins in the wet areas are full! We are amazed at the number of items with no names including brand new jackets. Please make sure that all students’ clothing items are marked with the student’s name and room number so we can return any lost clothing to them. The lost property bins will be put out in the enclosed undercover area on the morning of Assembly days to allow parents to find lost items. Items unclaimed after two weeks are laundered and taken to the second-hand uniform shop to be sold.

Kind regards,

Gillian Murgia – Principal
SCHOOL OFFICE – PARENT MISSED CALLS

Recently the school office has been inundated with parents ringing because they have received a missed call on their mobiles. Trying to find out who made the call can be very difficult and time consuming for office staff especially when parents have a number of children. Office staff has requested to be informed if a call back from parents is expected. However if the office has not been notified that a call back is expected then parents will be informed accordingly. Thank you for your understanding and cooperation.

SCHOLASTIC BOOKCLUBS – ISSUE 4 ORDERS DUE BY: AM FRIDAY 10 JUNE

Issue 4 BOOK CLUB Brochures have been distributed. The School earns books for the library and other resources from sales. Please have orders in envelopes with CORRECT money at the office no later than Friday, 10 June.

SCHOLASTIC BOOKCLUBS - LOOP (Linked Online Ordering and Payment System)

Parents are encouraged to use the Loop Online Ordering and Payment System to create Bookclub orders and pay online! This is a new feature of Bookclub available to parents. If placing an order at school the only acceptable methods of payment are:

1. Cash.
2. Cheque made out to Shelley Primary School to school office.

When using the LOOP system:

- **DO NOT** send your orders to school (as this can cause a double up)
- Know your child’s **ROOM Number**. This is important as you enter your order to the appropriate room number (the room order is then delivered appropriately)
- No late orders will be accepted as this means the cut-off date for orders will be missed. Please make sure your orders are in before the due date so your children won’t be disappointed.
